

**GOVERNMENT OF ANDHRAPRADESH
ABSTRACT**

RIAD – Constitution of District Level Committee with Collector as Chairman, SP as Member and SE of the respective Engineering department as convener for taking decisions to start the non-starter RIAD works immediately – Orders – Issued.

GENERAL ADMINISTRATION (RIAD) DEPARTMENT

G.O. Ms.No. 733

Dt. 18.12.2008.

ORDER:

In the Review meeting convened by the Principal Secretary (RIAD) detailed discussions were held regarding the various RIAD works which have become virtually non-starters in the interior agency areas of Visakhapatnam, East Godavari, Khammam and Adilabad districts, as most of the works could not be started due to extremist threat, it has been unanimously resolved to entrust such of these works to a local Committee to be constituted under the Chairmanship of Collector of the District concerned with the S.P of the district as Member and S.E of the concerned department (T.W/R&B/PR) as convener. The Committee is expected to review the reasons for non- starting of the said works and take all necessary steps including splitting of the work irrespective of their estimated cost, for the immediate grounding of these non –starter works in the interests of development and law and order in these remote and interior areas.

2. In the interests of maintenance of law and order in the remote areas of these districts, the representative of Addl. D.G/Int., I.G (Grey Hounds) and D.I.G (S.I.B) have come forward to provide police protection during the execution of these works.

3. Government after careful examination, hereby constitute a District Level Committee with the Collector & District Magistrate as Chairman, SP as Member and the SE of the respective department as Convener for taking decisions, after taking into account local conditions in their respective districts for immediate execution of the works by splitting/combining them wherever necessary irrespective of their estimated cost. The District Collectors may take initiation to start the non-starter works. The IG (Grey Hounds), DIG (SIB) and representative of Addl. D.G. (Intelligence) have agreed for providing Police Protection wherever necessary during the execution of such nonstarter works. The above orders are generally applicable to 18 districts, where RIAD programme is implemented and specifically applicable to such of those problematic districts viz, Visakhapatnam, East Godavari, Khammam and Adilabad with disturbed remote and interior areas in the respective Districts.

(BY ORDER AND IN THE NAME OF THE GOVERNOR OF ANDHRA PRADESH)
